12th November, 1935.

Dear Sirs,

H. I beg to acknowledge the receipt of your letter of the 6th instant relative to the steam trawlers "GAGA", "ARA" and "AMUREZ", the contents of which have been carefully noted, and with regard thereto I have to say that in these three cases the Committee have given instructions for the classes of these vessels to be omitted from the next reprint of the Society's Register Book unless the Screwshaft Surveys have been carried out in the meantime.

I may say that I have not received a reply to inquiries which have been addressed to the Chief of the Technical Department of the Peoples Commissariat of Water Transport in regard to the cases set out below, and I shall be much obliged if you will let me know whether it is desired to maintain the classification of these vessels in the Society's Register Book.

I am, Dear Sirs,
Yours faithfully,

Messrs. Arcos Limited,
Transport Forwarding Dept.,
Bush House,
