S.S. "BEDLINGTON" ex "FORESTHILL".

This vessel changed her name in Londonderry, and we shall be pleased to know if our agent there applied to you for Loadline Certificate, if not, we beg to inform you that we expect this vessel in Hull about the end of this month to discharge coke, and we would have pleasure in communicating with you nearer the time of her arrival, to get this matter settled and in order.

We regret the trouble we may have caused you, but beg to remain,

Yours faithfully,

(Signed) ETC.
