19th September, 1935.

Dear Sirs,

I have to acquaint you that as a result of a General Examination which was carried out by the Society's Surveyors at Newcastle on the steamer "TWICKENHAM" this vessel has been allowed to proceed, with a cargo of coal, to Italy via a Continental port to be broken up. She appears to be now on her way from Rotterdam to Reggio and I shall therefore be glad if you will advise me immediately the work of demolition is commenced.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

GENOA.
