d QUESTION. ANSWER.

With reference to your report No. 53022, I shall be glad to learn what arrangements the Owners propose making for the Boiler Survey to be completed by the renewal of 4 stoppered tubes in the starboard boiler.

Date:— 9th. September 1939.

The Owners' Superintendent states that this vessel is expected to return to a Bristol Channel port in about a fortnight's time when it is hoped to have the Boiler Survey completed.
