6th April, 1932.

Dear Sirs,

I duly received your memorandum of the 15th ultimo respecting the steamer "MANIN", and in reply I have to say that in view of the fact that this vessel is still laid up the Committee have deferred further consideration of the case for the present, subject to the stern tube and bush being examined and a complete Boiler Survey being held before she is again placed in commission.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

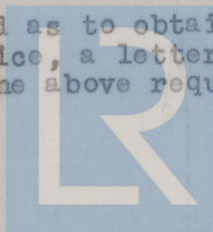

Yours faithfully,

pro Secretary.

The Surveyors,

TRIESTE.

P.S. You will also be so good as to obtain from the Owners, and forward to this Office, a letter intimating that they will comply with the above requirement.
