ANSR 6-

Dear Sirs,

On looking through the last Register Book of 1921-22, we find that our steamers "Manin" and "Dandolo" are headed under class 100 A I without the star which should be indicated, these steamers having been built under your supervision.

We shall be glad if you will provide so that this mistake will be avoided in the next issue.

Yours faithfully,

GLI AMMINISTRATORI DELEGATI
