Ufficio comune

Trieste, August 6th, 1921.

Via della Borsa N.º 2.

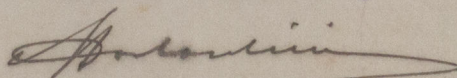

Dear Sir,

With reference to the classification of the S.S.
"MANIN", Cantieri Navali ed Acciaierie di Venezia's No.1,
for which the First Entry Report is enclosed herewith, I have
to state that at the special request of the Builders, the preli-
minary certificate was dated June, 1921.

The actual date of last survey on board was July 5th,
as the vessel remained at the yard several days after the end
of June. Under these circumstances it is submitted that in
order to avoid any possible future complications with the
Government regarding subvention fees the date of build of
this vessel be entered on the actual certificate and recorded
in the Register Book as 6.21.-

I am, Dear Sir,

Yours faithfully,

The Secretary,

TRIESTE.
