

S. S. "Manin"

Gen. 5183.

This vessel has now been fitted with an auxiliary boiler. The boiler has been built under special survey and fitted on board in accordance with the requirements of the Rules.

Arrangements have been made with the Builders to have the boiler staybolts, which are at present secured with bolts, riveted on the vessel's return.

It is submitted that this vessel is eligible to remain as **CLASSED**.

subject to the seatings of the auxiliary boiler being riveted on the vessel's return.
