17th February, 1922.

Dear Mr. Leeuwenburg,

I received this morning your letter of the 15th instant regarding the First Entry Reports No. 12132 on the new Steamer "KAYESON", and confirm my wire in reply as follows, viz:-

"KAYESON your proposal regarding fees approved also "AAGETEKERK".

You will notice that I added "also AAGETEKERK", as I note from your First Entry Reports on this vessel that, although you have entered the amounts you do not appear to have rendered an account, and were probably awaiting approval of the same.

With kindest regards,

Yours faithfully,

R. Leeuwenburg, Esq.,

ROTTERDAM.
