Reference

S.

Sir,

I am in receipt of your letter of the 5th instant respecting Glasgow Report No. 41244 on the Steamer "CULMORE", and beg to acquaint you that the Surveyor states that the sheerstrake is doubled and the raised quarter deck side plating increased in thickness at the break and the thicknesses of the lower plating of the bulkheads are as approved.

I am, Sir,

Your obedient servant,

*P. L. Harlow*Secretary to the
Glasgow Committee.*Per J. M. A.*

The Secretary,
