Enclosure.

25th February, 1932.

Dear Sirs,

I beg to inform you that I am in receipt of a letter from the Inspector General of Navigation, 'S-Gravenhage, stating that he has been informed by you that your steamer "SOENGEL GERONG" has been examined by the Society's Surveyor at Sourabaya recently who has transmitted a report to the Committee recommending that the class be continued until the end of October, 1932, and the Inspector General asks for a letter confirming that this is the case.

In the circumstances I have had pleasure in writing to the Inspector General of Navigation to this effect, and I think it well to enclose herewith for your information a copy of the letter in question, which I trust will serve the necessary purpose.

I am, Dear Sirs,

Yours faithfully,

Secretary.
