

S.S. "UNION". Building by the ATELIERS ET CHANTIERS  
DE PENHOET.

---

With reference to the endorsement dated  
8/3/21, regarding two chain cables and one anchor. Bureau  
Veritas Certificates for this vessel; the cable and anchor  
certificates have been forwarded to the Superintendents of  
the Proving Houses at Cardiff and Cradley Heath, and the  
Superintendents state that the cables and anchor were  
tested in their presence and appear to be quite in order.

It is submitted that in the circumstances,  
these cables and anchor might be accepted in this case.
