Dear Sirs,

I beg to acquaint you that I am in receipt of a communication from the Society's Surveyors at this port, in which they state they have been informed by your Representative that the steamer "RIPLEY CASTLE" is at present laid up at Southampton and that, in the meantime, nothing is being done in regard to the Boiler Survey, which became due last month.

The case has received the consideration of the Committee at their meeting to-day and, in the circumstances, they are agreeable to the inspection in question being postponed for the present.

I am, Dear Sirs,

Yours faithfully,
