The following Fees are to be charged to Owners or Builders for surveying yachts prior to their Classification

Yacht Register:—

For the Special Survey during construction of Yachts (to entitle them to the distinctive mark ✚), for each Yacht equipment numeral of which, according to the Yacht Rules, is

under 200	\$125	1600 and under	2200	\$275
200 and under	400	150	2200	2900	300
400	600	175	2900	3700	325
600	900	200	3700	4500	350
900	1200	225	4500 and above, a uniform charge of \$30 per 400					
1200	1600	250						

For the Special Survey during construction of Machinery and Boilers (to entitle them to the distinctive mark ✚ in red engines and boilers up to 250 nominal horse-power, \$1.25 per horse-power. For engines and boilers over 250 nominal power, \$1.25 per horse-power for the first 250 nominal horse-power, and seventy-five cents per horse-power from 251 nominal horse-power, and twenty-five cents from 501 to 1,000 nominal horse-power, and twelve and a half cents per nominal power above 1,000. No fee to be less than \$75.

For the survey and testing of each riveted air receiver the following fees will be charged:—

For each riveted air receiver up to 200 cubic feet capacity	\$10
For each riveted air receiver over 200 and up to 300 cubic feet capacity	15
For each riveted air receiver over 300 cubic feet capacity	20

Where seamless air receivers are made at works other than those at which the engines are constructed a fee of \$2 receiver will be charged, provided that in no case shall the fee charged be less than \$5 per ship.

For the survey and testing of steam boilers fitted in Motor Yachts, additional fees will be charged in accordance with Society's usual scale.

In exceptional cases an additional charge will be made according to the service performed, and in all cases where trial expenses are incurred by the Surveyors in connexion with the above services, they are to be defrayed by the parties interested.

In no case can the yacht be classed until all fees, travelling expenses, &c., due thereon are paid.
