Enclosure.

18th April, 1922.

Dear Sirs,

With reference to your Report No. 12231 of survey held on the Steamer "SCALA SHELL", I have to request that you will be good enough to fill in as far as possible on the attached sheet the results of the drillings of the shell plating, and state at the same time whether the upper deck beams are fitted to every frame between frames Nos. 22 and 35.

The Owners of this vessel are very anxious to receive at the earliest possible moment the classification certificates, and I shall be glad if you will reply to the above enquiries by return of post.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,  
ROTTERDAM.
