18th March 1921.

Dear Sirs,

With reference to Mr. Paton's call at this Office today, and to the plans handed in by him of engine seating (in duplicate) and structural details in the case of the Twin Screw Steamer "SPEEDONIA", I have pleasure in stating that provided the arrangements be carried out as shewn and amended on the plans and to the satisfaction of the Society's Surveyors, the proposals will be approved.

The plans in question have been taken away by Mr. Paton, and one copy of the plans of engine seating has been retained in this Office for reference.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

Messrs. The Rotterdamsche Droogdok Maatschappij,

ROTTERDAM.
