1st February 1921.

Dear Sirs,

M With reference to recent correspondence with the Rotterdam Dry Dock Company respecting the proposed conversion of the Bk. "SPEEDONIA" into a steamer for the carriage of petroleum in bulk, and to the copies of letters which have been sent to you, I think it well to inform you that I am now in receipt of a letter from the Anglo-Saxon Petroleum Company, the Owners of the ship, stating that the vessel was expected at Rotterdam on the 27th instant.

She will be placed in the hands of the Rotterdam Dry Dock Company for the purpose of conversion, and I have to request that you will be so good as to give the case the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
ROTTERDAM.
