CONFIRMATION OF LETTER COPY

22nd March, 1902.

I shall feel obliged if you will kindly request the local Surveyor to state whether the record of decks on the third page of report (Glasgow No.19699) on the S.S."URANIA" is correctly stated, in view of the particulars on the first page of the report showing a lower deck to have been laid in accordance with the approved midship section, from which it would appear that the record decks as it should be made in the Register Book is "2 Dks.(U stl-) & deep framing".

At the same time I have to point out that record of decks on the third page of the report on the S.S."SURADA"(Glasgow No.19689) is given as it should appear in the Register Book. It should have been stated thus:- "2dks. (Stl - U ws pt Teak) 3trB & web frames".

I return the reports for correction by the Surveyor, who should be requested to be more careful in this respect in future.

I am, Sir,
Your obedient servant,

J. Dodd, Esq.,

GLASGOW.
