Your Ref: 43/2.

3rd July, 1934.

Dear Sirs,

Reverting to your letter of the 11th April last  
S. respecting your s.s. "LUFTWELL", I shall be glad if you will  
kindly let me know, as I have received no further communication  
from you regarding the case, whether it is now to be understood  
that the vessel is to be laid up indefinitely. If this is  
so the Committee conclude you will have no objection to  
furnishing the usual printed form of undertaking in regard  
to carrying out the overdue Second Special Survey No.2, before  
the vessel again goes into commission.

On hearing further from you in connection with  
this matter the formal letter of undertaking will be forwarded  
for your signature.

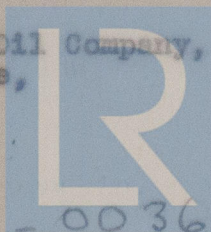

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
