Your Ref: 43/2.

10th April, 1934.

Dear Sirs,

S. I beg to acquaint you that the Committee have had under consideration today the case of your s.s. "LUFFWELL", together with your letter of the 5th instant, and they desire me to say that, in the event of your not proposing to carry out the Second Special Survey No.2, (the year of grace for which has now expired) at an early date, they must ask you to be good enough to furnish the usual printed form of undertaking, in accordance with their practice in such cases.

In the meantime, however, as they conclude the vessel is not at present laid up indefinitely, they have deferred action in this respect for a short time, awaiting your further advices in the matter.

I am, Dear Sirs,

Yours faithfully,
