Sir

I beg to acknowledge the receipt of your letter of 15th inst. with the two enclosures, regarding the flaws, found in the casted rudder of S.S. Galileo, and with reference thereto I beg to ask you to be so kind to send me either the number of my certificate or the number of the rudder, so as to be able, to furnish you with further particulars. I never test castings for new ships under their name, but under the yardnumber.

Yours, Sir,

your obedient servant
M. Koch
