Dear Sir:-

"ANSELMA DE LARRINAGA".

We beg to own receipt of your letter of 26th inst. concerning above Steamer laid up in River Fal since April, 1930.

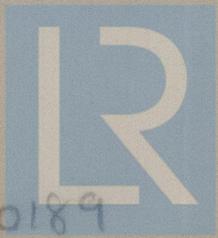

Good note has been taken of all your remarks. Before signing, however, the Form which you enclosed (in duplicate), we venture to point out that survey operations, at a place like Falmouth, would prove very expensive. If, therefore, we should find it convenient to move the said Steamer to a Bristol Channel port where a start would be made with the said operations, we wish to know whether this privilege could be granted by your Society.

Yours faithfully,

Larrinaga Steamship Co. Ltd
