25th June, 1915.

Dear Sirs,

S. With reference to your first entry report No. 15096 on the machinery of the new steamer "SOUTHWESTERN MILLER", I enclose the certificate for the machinery herewith, as it is understood the case is urgent, and have to request that you will retain it until the fees for the special survey of the machinery have been paid, and you have received advice from the Society's Newcastle Office that the fees for the survey of the hull have been paid and the case is quite in order.

You should advise the Newcastle Surveyors promptly of the payment of the fees due for the survey of the machinery.

I am, Dear Sirs,

Yours faithfully,

Secretary

The Surveyors,
WEST HARTLEPOOL.
