Dear Sir,

"CALGARIC".

We have to acknowledge receipt of your letter of July 18th, (Ref: H.), advising us that the above vessel is now due for a Special Survey of Boilers, as prescribed in the Society's Rules for Steamships.

The "CALGARIC" has been laid up at Milford Haven since September 8th, 1933, and we see no prospect of being able to recommission her in the near future, and, in the circumstances, no doubt you will agree to the Survey in question being left over for the time being.

Yours faithfully,

WHITE STAR LINE:
