Dear Sir,

S.S. "CASSIS".

In reply to your letter "H" of 10th inst. we have the Local
to inform you that the above vessel has been laid up since October 1930
last and that there is no early prospect of her being re-employed.
In these circumstances we shall be glad if your Committee will
agree to the postponement for the present of the Special Survey
of Boilers referred to in your letter and the 2nd Special Survey
No. 1 referred to in your postscript.

Yours truly,
