30th October, 1930.

Dear Sirs,

With reference to your Report No. 86336 on the steamer "CASSIS", I have to say that it is considered that, in view of the general wastage which appears to have taken place in this vessel, it would be advisable for Mr. Lewis, the Special Surveyor for Steel at Glasgow, to make an examination, and I shall be glad to learn whether it will be possible for arrangements to be made with this end in view.

On hearing from you on the matter the necessary instructions will be sent to Mr. Lewis.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
