Dear Sir,

"QUEEN LOUISE"

We thank you for your notification of 31st ult.  
regarding the above steamer, which information is correct.

This steamer, of course, was sold for breaking up purposes,  
and unofficially we understand Mr. Cashmore sold her to Germany, and we  
believe she is now there for the purpose of breaking up, so that in due  
course she will be withdrawn from your register.

Yours faithfully,

FOR THE CADOGAN STEAMSHIP CO. LTD.
