Sir.

In reply to clashing letter of yesterday's date having reference to the report No 62102 on the S/S. "Queen Louise". I beg to state that the report was finished on the 4<sup>th</sup> April, with the exception of the Board of Trade particulars which had not then come to hand, immediately after the Easter holidays I called at the Builders Office and obtained the necessary information, completed the report and handed it to the Builders for checking and signature.

On the 15<sup>th</sup> April I again called on the Builders and asked when the report would be returned, and was informed that owing to Mr. Frahm's absence, the report could not be signed till the next day, which was done, and the report returned with the request they desired the Certificates as early as possible as the

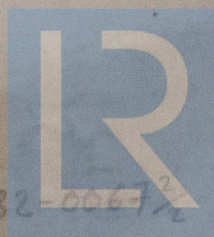

Crown of  
Room  
Damage

Donors were asking for them, and I may add that  
the Certificates are still retained in this Office owing  
to the Machinery fees not having been paid.

I Am

Sir

Your Obedient Servant  
Alex. Munro
