## REPORT ON MASTS, SPARS, AND RIGGING.

Sir

Having, in accordance with your instructions, examined  
the Masts, Spars, and Rigging, and Iron Work of same, of the  
S/S Iren Louise

I have to report that I found

The steel work on Fore & Main  
Masts - in good condition -

The Rigging Shrouds & Stays - are in fair order but should be stripped & cleaned & reserved for a height of 8 feet - also Rigging screws to be made workable

Note - This vessel will only carry 1 Derrick on each Mast - having been converted into an oil carrier -

Yours Truly,  
James Cameron

Fee £ : 10/-
