

s.s. "SELLINGE"

act from Nantes return of Vessels under survey for the
week ended 1.12.33. received 4.12.33.

This vessel is stated by the Master to be aground at
Anche in a badly damaged condition, the vessel, he further
states, has been abandoned on account of seas breaking
over her foredeck. No opportunity was afforded me of
inspecting this vessel, which takes about two hours in the tug
from Saint Nazaire^y to reach her. In the circumstances
awaiting further instructions from the Master in this case.
