Dear Sir.

S/S "MATOPPO".

We acknowledge receipt of your favour of the 16th. instant with respect to the 2nd. Special Survey No.3 for the steamer, and in reply have to inform you she is at present Australian waters, where she is loading for South Africa. It is not known at present what she will do from South Africa, she will certainly come home before the expiration of twelve months grace allowed by your Society for dealing with this Survey, and we presume if we complete the requirement in September of next year her class will not be affected.

We are, Dear Sir.

Yours faithfully.
