Dear Sirs,

The Maritime Investigation Council, at their meeting held at Antwerp on the 24th inst., have started an investigation into the circumstances of the loss of the Belgian steamer "TIGRIS" and have expressed their wish to hear, at their next meeting fixed for Thursday, the 6th November at 3 p.m., at the "Palais de Justice", Antwerp, the surveyors of your Society who have surveyed the above mentioned vessel in the course of this last year.

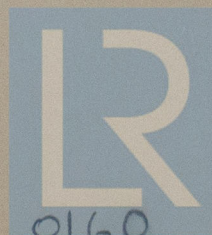

I shall, therefore, feel much obliged if you will be good enough to let me know the names and addresses of these surveyors, in order to enable me to request them, without delay, to appear before the Council.

Awaiting the favour of your reply, I am,

Dear Sirs, etc.
