

## Viritor

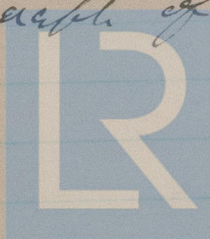

It is submitted the plan of the  
dunkey boiler originally fitted in S.S.  
"Chirikoff" ex "Lerline" be forwarded  
to the Port Surveyors to enable them  
to verify the boiler intended to be  
fitted into the above vessel.

They should advise this office  
by cable if the boiler is not the one  
to which the plan appertains.

The Bureau agents should be  
informed accordingly.
