20th December, 1927.

Dear Sirs,

I beg to acknowledge the receipt of a copy of the report of survey held by a Surveyor appointed by your Goodselves on the Steamer "INVERAMPTON" in November last, and have to thank you for your kind attention in the matter.

In the circumstances the Committee have assigned to the vessel a notation of BS (Boiler Surveyed) 11,27.

It is concluded that the boiler was examined internally and externally, together with its mountings and that the screw shaft was drawn on this occasion, but I shall be much obliged if you will kindly ascertain from the Surveyor and let me know whether this was so.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
