16th September, 1927.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 10th instant intimating that it is your present intention to have the steamer "INVERAMPTON" examined inside San Nicolas Harbour, Island of Aruba, in order to carry out the survey of the screwshaft and the Boiler Survey, and that your Superintendent at Aruba will communicate with the Society's Surveyor at Curacao in the matter. In reply I have to say that in the circumstances, the Committee, who have had the case before them at their meeting today, have deferred consideration of the same for the present pending the receipt of a further communication from you in due course.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
