26th June, 1934.

Dear Sirs,

With reference to your letter of the 12th and mine of the 16th March last relative to the steamer "JAMAICA PLANTER", I shall be much obliged if you will kindly let me know, for the information of the Committee, whether any arrangements have yet been made for the survey of this vessel's Screw Shaft to be carried out.

At the same time perhaps you will be so good as to let me know what steps are proposed to be taken with a view to the Boiler Survey, which became due on this ship at the end of last month, being held.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
