

S.S. "CISNEROS"

-----

It is submitted a copy of the Owners' letter be forwarded to the Hamburg Surveyors, and they be requested to state if all the requirements of a Special Survey No.3 were carried out when the vessel was under survey for classification at their port in 1921, and if, in their opinion, the record of survey S.S. No.2, which was assigned to the vessel at that time ~~may~~ *might* be amended to Special Survey No.3.
