The Secretary,

Lloyd's Register of Shipping,

71 Fenchurch St,

London, E.C.

Dear Sir:-

Replying to your letter of the 30th, of December with reference to my first entry report No.1762 on the S. S. "CANADIAN NAVIGATOR" I have to state that the second deck was constructed in accordance with an approved plan and I am forwarding a copy of the midship section and plan of profile and half the second deck with the marks in red ink transferred according to the Builders approved copy. My copy was sent forward with the first entry report together with the other plans, but has apparently gone astray.

Yours very truly,

*N. J. Alderson*
