20th November, 1928.

Dear Sirs,

With reference to Greenock first entry report No. 18968 on the Motorship "WINTON", I have to say that it is concluded the number of panting stringers and the thickness of the keel plates at the ends are as approved, but I shall be glad if you will enquire of the Surveyors and let me know whether this is so.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
