Dear Sirs,

H. I am in receipt of your memorandum of the 9th instant respecting the steamer "VENEZUELA", and in reply I have to say that in view of your intimation that this vessel is at present laid up at Genoa, and that it is the Owners' intention to have the Boiler Survey carried out before she is recommissioned, the Committee, who had the case before them at their meeting to-day, have deferred consideration of the same for the present.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
