We have to acknowledge receipt of your letter of the 19th instant, and note that the certificates for this vessel have been forwarded to your Newcastle Office, for which information we are much obliged.

As regards the ceiling, we will obtain in due course a letter from the Owners in the terms which you desire, but this will, of course, occasion some delay, as the Office is in Genoa.

Meanwhile we can assure you, that the ceiling was laid in accordance with the specification discussed and agreed with the Owners.
