Enclosures.

30th January, 1924.

Dear Sirs,

With reference to the case of the Steamer "MAID OF SPETZAI" built by Messrs. J. I. Thornycroft & Co. under your Special Survey in 1921, I enclose herewith Newcastle Report No. 77447 on this vessel, together with subsequent correspondence with the Newcastle Surveyors, and have to request you will state whether the discharge pipe from the fore-castle W.C. was fitted in the manner described by the Newcastle Surveyors when the vessel was built, and if so, you should forward a sketch shewing the arrangement of the shell connection and giving diameters and thicknesses of discharge pipe and connections.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,  
SOUTHAMPTON.
