24th October, 1939.

Dear Arne,

R. Dear Sir,

I have to acquaint you that the motorship "TONGKING", No. 35292 in the 1937/38 Register Book, sustained serious damage by fire on the 3rd April, 1938, near Penang, and in all the circumstances her class was expunged and a record of "Burnt 4,38" was made against her name in the Register Book, all particulars of her being omitted from the following edition.

According to information received here she has now been refloated and towed to Osaka and it is stated that the purchasers, Kyoei Shokai of Kobe, propose to repair her.

In the circumstances I shall be glad if you will kindly let me know in due course when this vessel has been repaired and has resumed trading. At the same time please furnish me with her new name, full postal address of the Owners, tonnages, port of registry, etc. with a view to the re-insertion of the vessel's particulars in the Register Book.

I am, Dear Sir,
Yours sincerely,
Yours faithfully,

A. Hjerding, Esq.

Clerk to the
Classification Committee.

H. Jasper Cox, Esq.,
