Dear Sir,

S.S. "SOLWAY FIRTH".

With reference to your letter of 10th. inst. we beg to advise you that this vessel arrived in the Tyne at the end of last week, but we are informed by the Owners that as she was required to load an urgent cargo of machinery for Ardrossan they were unable to submit the boiler for survey in this district. They have, however, given instructions to the Chief Engineer to arrange for the survey to be carried out at Ardrossan where she is due tomorrow afternoon.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
