Dear Sir,

H.

With reference to the First Entry Report (Glasgow No. 39874) on a new boiler, No. 761, made by Messrs. A. & W. Dalglish for the steamer "BROOMLOUGH", I have to point out that this report, which was forwarded to you on the 26th April, 1920, has been returned to this Office but that the approved plan has not been received with it. In the circumstances I have to request that you will forward the plan in question in order that it may be placed with the report in the usual way.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary.
