Dear Mr. Mayne,

I confirm the telegrams which passed between us yesterday as follows:-

RECEIVED:- " "BROOMLOUGH" launched May last completed
"November is within period allowed by Rules
"for date of build November.(stop) Shall I
"withdraw from General Committee."

SENT:- " "BROOMLOUGH" please withdraw from General
"Committee. Many thanks."

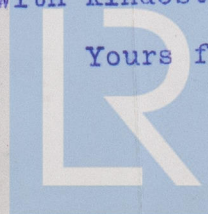

I am afraid I had overlooked that the launch was within six months of the date of completion, and, of course, it was unnecessary for the Surveyor to make any recommendation as regards the date of build.

Thank you also for drawing my attention to the date of the *LMC record in the case of the steamer "DRUMLOUGH". This should have been 10,21 and I am altering our records accordingly.

With kindest regards,

Yours faithfully,

F.A. Mayne, Esq.,
LONDON.
