Attention Mr. Davies

Dear Sirs:

Referring to your favor of the 30th ultimo on the "TROLTIND", we beg to report that we are not making any definite statements on this ship. When the time comes that we desire a class and want to take the ship out, we will take the matter up with you, but under the present situation, we cannot say what we shall do.

"BENMORE" - This vessel is now in the West Indies at St. Thomas. She will probably not return here for the next six or eight months.

Very truly yours,

PENDLETON BROS. INC.
