Dear Sir:-

With reference to your letter of the 1st ultimo relative to the case of the Motor Vessel "TROLLTIND", I enclose herewith a letter dated 4th instant received from Messrs. David Cohen & Company, Inc., from which it will be seen that this vessel is expected at Houston, Texas, about the 25th instant and is chartered to carry lumber to ports on the northern coast of Africa; further it is stated that the engines were examined by the Society's Surveyors at Falmouth and that postponement of the special annual survey of the engines is desired until her return to this country from Africa.

I shall be much obliged if you will be good enough to cable to me whether this proposal is approved by the Committee.

I am, Dear Sir,

Yours faithfully,

Secretary to the American Committee.

The Secretary,  
London.
