Survey Due Screwshaft Survey due August, 1931.

A proposal to postpone the above survey until the vessel drydocked on her return to this Country early this year was agreed to by the Committee in September last.

In reply to further enquiry the Owners now state that the vessel is on her way from the River Plate to Rotterdam. whence she will return to this Country for drydocking about the middle of this month. They add that they will communicate with this Office when the U.K. port is finally decided upon.
