Dear Sir,

M.

With reference to your report No. 8650 on the new Steamer "WATFORD", it is concluded the size of the upper deck beams in the wells and the depth of the frame girder in the panting area are as approved, but I shall be glad if you will let me know whether this is so.

I am, Dear Sir,

Yours faithfully,

Secretary.

H.Y. Bell, Esq.,

DUNDEE.
